

Assumption of Risk and Waiver of Liability Relating to Coronavirus

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is contagious and is believed to spread mainly from person-to-person contact and air droplets. As a result, federal, provincial and municipal governments and public health officials recommend social distancing and the use of masks when social distancing is challenging to maintain.

SOS First Aid and Safety Training (SOS) has put in place preventative measures to reduce the spread of COVID-19; however, SOS cannot guarantee that you will not become infected with COVID-19. Furthermore, attending a first aid or CPR class could increase your risk of contracting the virus.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending an SOS class and that such exposure or infection may result in becoming exposed to or infected by COVID-19.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any illness or injury (including but not limited to personal injury, disability and death) illness, damage, loss, claim, liability or expense that I may experience or incur in connection with my participation in an SOS class. I hereby, covenant not to sue, discharge, and hold harmless SOS, its employees, contractors, and representatives, of expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions and omissions of SOS, its employees, contractors, and representatives, whether a COVID-19 infection occurs before, during or after participation in an SOS program.
